Rank Advancements:

There has been one rank advancement since last month, MD earned the rank of 1st Class.

Troop Summary 1st class and above

Life Scouts	9
Star Scouts	6
1 st Class Scouts	9

Update on Scouts who have already turned 18

AD passed his District Eagle BOR on September 23rd. The paperwork has been forwarded to National for the final approvals. As of two weeks ago Council was still waiting to hear back from National BSA.

JPII turned 18 on 9/24/09; JPII has been working with District Eagle representative Paul Hines. Paul Hines sent out letters of recommendation questionnaires last week on JPII, once enough of these have been returned to Paul Hines, an Eagle BOR can be scheduled.

Scouts working on Eagle Projects

CP has been working on his Eagle project, in various stages, all seems to be going well so far.

Other

SD is working on getting his Eagle project written up and approved.

Please have the adult patrol advisors update the patrol advancement book more frequently, some adult patrol advisors do a terrific job, but others are way behind.

Need to have troop campout attendance records and service hours turned in as it does effect advancement.
