

November campout

- climbing campout -the weather was good, people had fun
- 11 scouts, 2-3 adults
- A good campsite to go to again, but the loft was better for climbing
- patrols worked well enough to be an hour early every time

Meetings

- low attendance
- lower enthusiasm
- people generally on task
- Need to be different

Patrol Calls

- PLs need to call me back more
- Missing A's #
- Cannot reach R.K. through phone, and Can barely ever get S and R G.

PLCs

- Maybe not all positions need to be their
- too many people creates a bigger problem with people getting off task
- getting good ideas

Leadership

- needs more will to do things
- chain of command needs to be followed

Patrols

Phoenixes are all advancing quickly
Wombats aren't all showing up to meetings
Falcons and Dragons did not submit a report
Wombats are doing opening, skill, and closing for the next month
Phoenixes are the month after them
